

## Cleaning Products We Use

### NON-TOXIC CLEANING PRODUCTS

As parents of young children and pet owners, we understand the importance of using natural / non-toxic cleaning products. Please know that your home won't have that heavy fragrance smell of most conventional cleaning products if we clean for you and your family.

Our primary cleaner is Force of Nature and it is an odorless cleaner comprised of salt, water and vinegar. It acts as a disinfectant, deodorizer and sanitizer. It's truly a powerhouse cleaning product that we love and use in our own home daily!

**FORCE OF NATURE** - Non-toxic. Disinfectant and sanitizer. Kills 99.9% of viruses, bacteria, mold, and mildew. Free of bleach, fragrances, dyes, preservatives, surfactants, phthalates, quats, hydrogen peroxide and alcohol. *We use on windows, hard & soft surfaces, toys, chairs, cabinets, refrigerators, appliances. Just about everything.*

**SCRUB DADDY POWER PASTE** - Non-toxic. Biodegradable. Dye-free. Clay-based soap with lemon fragrance. *We use inside ovens, toilets, countertops, sinks, bathtubs, showers, cooktops.*

**METHOD HEAVY DUTY DEGREASER** - Plant-based ingredients. Silicone, phthalate, paraben, and sulfate free. *We use on stovetops, ovens, microwaves, anywhere there is grease.*
